## HIGHER EDUCATION FINANCING AGENCY

(CIN:U74999KA2017NPL103474)

(A Non Banking Finance Company Licensed under Section 8 of the Companies Act, 2013)  
[Private Limited & Government Company]

### 1 CORPORATE INFORMATION

HIGHER EDUCATION FINANCING AGENCY (Referred as HEFA or the Company) has been incorporated as a Private limited company under section 8 of the Companies Act, 2013 & Government Company as a Joint Venture Company of Ministry of Human Resource Development (HRD), and Canara Bank, pursuant to Certificate of Incorporation issued by the Registrar of companies dated 31st May 2017 (CIN:U74999KA2017NPL103474) with an object of financing the India's higher education institutions.

HEFA is an initiative of the Ministry of the HRD to leverage funds from the market and supplement with donations and Corporate social responsibility (CSR) funds to finance the infrastructure in the top educational institutions. This will incentivise the institutions better internal resource generation and lead to developing into a world class institutions. At present, the company is functionally managing by Canara Bank.

The Company has received its Licence no. 109468 dated 30th May 2017 under section 8 of Companies Act, 2013.

The Company has also been granted Registration under Section 12AA of the Income Tax Act, 1961 as a Public Charitable Company with effect from 2nd February 2018.

The Company has obtained registration with Reserve Bank of India as a 'Non-deposit taking non-systemically important NBFC' i.e. (i.e. NBFC-ND-Type II) vide COR No. 02.00289 dated 21st November, 2017 for the purpose of carrying out Non Banking Finance business. Subsequently, the status of the Company has been changed from 'Not Accepting Public Deposits and Non Systemically Important Non-Banking Financial Company (NBFC-ND-TYPE II)' to 'Not Accepting Public Deposits And Systemically Important Non-Banking Financial Company (NBFC-ND-SI)' on crossing of asset size of Rs. 500 crore as on 29th December, 2018. The company's registered office is at 6th Floor, Naveen Complex, No 14, MG Road, Bengaluru, KA 560001 INDIA.

### 2 SIGNIFICANT ACCOUNTING POLICIES FORMING PART OF FINANCIAL STATEMENTS

#### 2.1 Basis of Preparation of Financial Statements

The financial statements of the company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time). The financial statements have been prepared under the historical cost convention, as modified by the application of fair value measurements required or allowed by relevant Accounting Standards. Accounting policies have been consistently applied to all periods presented, unless otherwise stated.

The Company has adopted Indian Accounting Standards ("Ind AS") with effect from 1 April, 2018 and the effective date of transition being 1 April, 2017. Accordingly, the above financial statements have been prepared in accordance with the Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India mainly considering the Master Directions issued by the Reserve Bank of India ('RBI') as applicable to Non-Banking Finance Companies – ND-SI.

The preparation of financial statements requires the use of certain critical accounting estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses and the disclosed amount of contingent liabilities. Areas involving a higher degree of judgement or complexity, or areas where assumptions are significant to the Company are discussed in Note 2.3 - Significant accounting judgements, estimates and assumptions.

The financial statements are presented in Indian Rupees (INR) and all values are rounded to the nearest crores, except when otherwise indicated.

These financial statements include the Balance Sheet, the Statement of Changes in Equity, the Statement of Income and Expenditure, the Statement of Cash flows and Notes, comprising a summary of significant accounting policies and other explanatory information and comparative information in respect of the preceding period.

#### 2.2 Presentation of Financial Statements

These financial statements include the Balance Sheet, the Statement of Changes in Equity, the Statement of Income and Expenditure, the Statement of Cash flows and Notes, comprising a summary of significant accounting policies and other explanatory information and comparative information in respect of the preceding year. The Balance Sheet and the Statement of Income and Expenditure are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The statement of Cash Flow has been prepared and presented as per the requirements of Ind-AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Income and Expenditure, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standard.

#### 2.3 Significant accounting Policies, Judgements, Estimates and Assumptions

##### a) Use of Estimates

The preparation of financial statements in conformity with Indian Accounting Standard requires Management to make estimates and assumptions that affect the reported amounts of Assets and liabilities and disclosure of contingent Assets and liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon Management's best knowledge of current events and actions, actual results may differ from these estimates.

**b) Revenue Recognition**

Revenue is recognised based on the nature of activity when consideration can be reasonably measured and there exists reasonable certainty of its recovery. Revenue is measured at the fair value of the consideration received or receivable.

**c) Income from Operations**

The Company derives revenue primarily from financial assistance for creation of educational infrastructure and R&D in India's premier educational Institutions. Interest will be accrued on monthly basis as interest is paid by the Ministry of Human Resource Development which will be calculated on the basis of outstanding balance. Interest Income for all financial instruments are calculated at gross carrying amount, are recognised in interest income as interest on deposits with banks and Interest on Loan in the Statement of Income and Expenditure using effective rate of Interest (EIR).

**d) Other Income**

In case of other Income, revenue is recognized during the period in which the services are rendered. Interest income is recognized on a time proportion basis, taking into account the amount outstanding and at an effective interest rate, as applicable.

**e) Cash and Cash Equivalents**

Cash and cash equivalents comprise the net amount of short-term, highly liquid investments that are readily convertible to known amounts of cash (short-term deposits with an original maturity of three months or less) and are subject to an insignificant risk of change in value, cheques on hand and balances with banks. They are held for the purposes of meeting short-term cash commitments (rather than for investment or other purposes). For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

**f) Cash Flow Statement**

Cash flows are reported using the indirect method, whereby surplus for the year is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

**g) Property, Plant and Equipment(PPE)**

PPE is recognized when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment. Cost comprises the purchase price and any attributable costs of bringing the asset to its working condition for its intended use as estimated by the management. Any trade discounts and rebates are deducted in arriving at the purchase price. PPE not ready for the intended use, on the date of the Balance Sheet are disclosed as "Capital Work-in-Progress".

**h) Intangible Assets**

Intangible Assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortisation and cumulative impairment. Intangible Assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible Assets not ready for the intended use on the date of the Balance Sheet are disclosed as "Intangible Assets under development".

**i) Leases**

The determination of whether an agreement is, or contains, a lease is based on the substance of the agreement at the date of inception.

i. Finance Leases: There are no Finance leases entered into by the Company.

ii. Operating Leases: Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item are classified as operating leases. Operating lease rentals/payments are charged as an expense in the Income and Expenditure account on a straight-line basis over the lease term.

**j) Provisions**

Provisions are recognised when the enterprise has a present obligation (legal or constructive) as a result of past events, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

When the effect of the time value of money is material, the enterprise determines the level of provision by discounting the expected cash flows at a pre-tax rate reflecting the current rates specific to the liability. The expense relating to any provision is presented in the statement of Statement of Income and Expenditure net of any reimbursement.

**k) Earnings Per Share**

The Company reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share. Basic EPS is calculated by dividing the net surplus or deficit for the year attributable to equity shareholders (after attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net surplus or deficit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. In computing the dilutive earnings per share, only potential equity shares that are dilutive and that either reduces the earnings per share or increases deficit per share are included.

**l) Segment Reporting**

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM). The Board of Directors (BOD) of the Company assesses the financial performance and position of the Company, and makes strategic decisions. The BOD, which has been identified as being the chief operating decision maker. The Company is engaged in the single business operation of "financial assistance for creation of educational infrastructure and R&D in India's premier educational Institutions".

**m) Financial Instruments**

Financial Assets and Financial Liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial Assets and Financial Liabilities are initially measured at fair value.

**Financial Assets**

All recognised Financial Assets are subsequently measured in their entirety at amortised cost.

A Financial Asset shall be measured at amortised cost if both of the following conditions are met:

- i. The Financial Asset is held within a business model whose objective is to hold Financial Assets in order to collect contractual cash flows and
  - ii. The contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- Interest income on Financial Asset measured at amortised cost, is measured at effective interest rate on the gross carrying amount.

**Financial Liabilities**

Financial Liabilities are subsequently carried at amortised cost using the effective interest method for trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

**n) Impairment of Asset**

Impairment of financial assets The Company recognises impairment allowance for expected credit loss on financial assets held at amortised cost. In addition to that the Company has provided provision as per Prudential Norms of RBI.

The Company recognises loss allowances (provisions) for expected credit losses on its financial assets (including non-fund exposures) that are measured at amortised costs or at fair value through other comprehensive income account. The Company applies a three-stage approach to measuring expected credit losses (ECLs) for the financial assets that are not measured at fair value through Surplus or Deficit:

Financial assets migrate through the following three stages based on the change in credit risk since initial recognition:

Stage 1: 12-months ECL For exposures where there has not been a significant increase in credit risk since initial recognition and that are not credit impaired upon origination, the portion of the lifetime ECL associated with the probability of default events occurring within the next 12 months is recognised.

Stage 2: Lifetime ECL – not credit impaired For exposures where there has been a significant increase in credit risk since initial recognition but are not credit impaired, a lifetime ECL (i.e. reflecting the remaining lifetime of the financial asset) is recognised.

Stage 3: Lifetime ECL – credit impaired Exposures are assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred. For exposures that have become credit impaired, a lifetime ECL is recognised and interest revenue is calculated by applying the effective interest rate to the amortised cost (net of provision) rather than the gross carrying amount. Determining the stage for impairment At each reporting date, the Company assesses whether there has been a significant increase in credit risk for exposures since initial recognition by comparing the risk of default occurring over the expected life between the reporting date and the date of initial recognition. The Company considers reasonable and supportable information that is relevant and available without undue cost or effort for this purpose. This includes quantitative and qualitative information and also, forward-looking analysis. An exposure will migrate through the ECL stages as asset quality deteriorates. If, in a subsequent period, asset quality improves and also reverses any previously assessed significant increase in credit risk since origination, then the loss allowances reverts from lifetime ECL to 12-months ECL.

**o) Income Tax**

The Company has been incorporated as a 'Not for Profit Company' under section 25 of the Companies Act, 1956 (now section 8 of Companies Act 2013), and granted registration under section 12AA of the Income Tax Act, 1961. The Company is prohibited by its objects to carry out any activity on commercial basis and thereby claims to be eligible for tax exemption.

**p) Contingent Liabilities and Commitments**

Contingent Liabilities, if any, are disclosed in the Notes to Accounts. Provision is made in the Accounts if it becomes probable that an outflow of resources embodying economic benefits will be required to settle the obligation. Commitments are future liabilities for contractual expenditure.

**q) Borrowing Costs**

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Other borrowing costs are recognised as an expense in the period in which they are incurred.

**r) Operating Cycle**

Based on the nature of its activities, the Company has determined its operating cycle as 12 months for the purpose of classification of its Assets and Liabilities as current and non-current.

**Note :**

**ECL Provisions**

Ind AS 109 requires management, when determining whether the credit risk on a financial asset has increased significantly, to consider reasonable and supportable information available, in order to compare the risk of a default occurring at the balance sheet date with the risk of a default occurring at initial recognition of the financial Assets.

When estimating ECL, management should consider information that is reasonably available, including information about past events, current conditions and reasonable and supportable forecasts of future events and economic conditions. The degree of judgment that is required for the estimates depends on the availability of detailed information.

From the First disbursement to till now, the company has not come across any default or exposure for default and also company has not come across any delay in repayment more than 60 days. Also note that the company has ESCROW account with all its customer and 60% to 70% of the loans & 100% interests are reimbursed by Ministry of Human Resource Development, III:FA would finance only the infrastructure requirements of higher educational Institutions under Ministry of Human Resource, hence the chances of default is very very minimal.

**Exposure at Default (EAD)**

The outstanding balance at the reporting date is considered as EAD by the Company including accrued Interest. Considering that the Risk factors in amount at default, there is no separate requirement to estimate EAD.

**Loss Given Default**

LGD is an estimate of the loss from a transaction given that a default occurs. There is no default till now from the incorporation of company and there is no probability of Loss given default that are possible in the next 12 months.

**Probability of default (PD):**

PD is defined as the probability of whether borrowers will default on their obligations in the future. There is no default till now from the incorporation of company and there is no probability of default that are possible in the next 12 months.

Based on the past trend, the company has not come across default or delay in repayment. The company has worked out ECL as per the past trend and the nature of loan. As per workings there is no impairment of assets or provision is required. However Company followed Prudential Norms of RBI and classified all the loans under "Standard Asset" based on the definition defined in Prudential Norms of RBI. Company also created provision to the extent of 0.40% on the Standard Asset.

Nature and purpose of Reserves

1. Statutory Reserve (Statutory Reserve pursuant to Section 45-IC of The RBI Act, 1934):

Section 45(1C) of Reserve Bank of India Act, 1934 ("RBI Act, 1934") defines that every non banking finance institution which is a Company shall create a reserve fund and transfer therein a sum not less than twenty percent of its net surplus every year as disclosed in the statement of Income and Expenditure before any dividend is declared. The Company has transferred an amount of Rs.63.16 Corers (2019 Rs.14.42 corers) to Statutory reserve pursuant to Section 45-IC of RBI Act, 1934

2.Impairment Reserve As Per RBI circular (RBI/2019-20/170 DOR (NBFC).CC.PD.No.109/22.10.106/2019-20 ) Where impairment allowance under Ind AS 109 is lower than the provisioning required under IRACP (including standard asset provisioning), NBFCs/ARCs shall appropriate the difference from their net surplus or deficit after tax to a separate 'Impairment Reserve'. The balance in the 'Impairment Reserve' shall not be reckoned for regulatory capital. Further, no withdrawals shall be permitted from this reserve without prior permission from the Department of Supervision, RBI.

CRAR - Tier I Capital	84.75%	113.19%
CRAR - Tier I Capital	84.75%	112.79%
	0.00%	0.40%

**NOTE 30: FINANCIAL INSTRUMENTS**  
**FAIR VALUE MEASUREMENT**

i) **Valuation principles** : Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using a valuation technique. In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques.

ii) **Valuation governance** : The Company's process to determine fair values is part of its periodic financial close process. The Board exercises the overall supervision over the methodology and models to determine the fair value as part of its overall monitoring of financial close process and controls. The responsibility of ongoing measurement resides with business units. Once submitted, fair value estimates are also reviewed and challenged by the Risk and Finance functions.

The carrying value and fair value of financial instruments by categories are as follows

Particulars	Carrying Value		Fair Value	
	As at 31.03.2020	As at 31.03.2019	As at 31.03.2020	As at 31.03.2019
<b>Financial Assets</b>				
Cash and Cash Equivalents				
Bank Balance other than (a) above	0.04	-	0.04	-
Loans	71.84	356.47	71.84	356.47
Other Financial Assets	6,334.05	2,496.71	6,334.05	2,496.71
<b>Total Financial Assets</b>	120.62	25.73	120.62	25.73
	<b>6,526.55</b>	<b>2,878.91</b>	<b>6,526.55</b>	<b>2,878.91</b>
<b>Financial Liabilities</b>				
Payables				
Borrowings (Other than Debt Securities)	55.04	25.37	55.04	25.37
Other Financial Liabilities	995.71	-	995.71	-
<b>Total Financial Liabilities</b>	2.42	-	2.42	-
<b>Note :</b>	<b>1,053.17</b>	<b>25.37</b>	<b>1,053.17</b>	<b>25.37</b>

The management assessed that cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

Borrowings: fixed rate loans, the carrying values are a reasonable approximation of their fair value.

**NOTE 31: RISK MANAGEMENT**

Risk is an integral part of the Company's business and sound risk management is critical to the success. As a financial intermediary, the Company is exposed to risks that are particular to its lending and the environment within which it operates and primarily includes credit, liquidity and market risks. The Company has a risk management policy which covers risk associated with the financial assets and liabilities. The Board of Directors of the company are responsible for the overall risk management approach, approving risk management strategies and principles. The company has a risk management policy which covers all the risk associated with its assets and liabilities.

The Company has implemented comprehensive policies and procedures to assess, monitor and manage risk throughout the Company. The risk management process is continuously reviewed, improved and adapted in the changing risk scenario and the agility of the risk management process is monitored and reviewed for its appropriateness in the changing risk landscape. The process of continuous evaluation of risks includes taking stock of the risk landscape on an event-driven basis. The Company has an elaborate process for risk management. Major risks identified by the businesses and functions are systematically addressed through mitigating actions on a continuing basis.

**Credit risk**

Credit risk is the risk that a customer or counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company's main income generating activity is lending to customers and therefore credit risk is a principal risk. Credit risk mainly arises from loans and advances.

The credit risk management policy of the Company seeks to have following controls and key metrics that allows credit risks to be identified, assessed, monitored and reported in a timely and efficient manner in compliance with regulatory requirements.

Company gives Loan only to Educational institutions under higher education, school education and institutions under Ministry of Human Resource Development (HRD). The Company has robust accounts receivable collection mechanism which has ensured zero level of credit risk since inception. The Company maintaining an appropriate credit administration and loan review system.

Particulars	Year Ended 31.03.2020	Year Ended 31.03.2019
Revenue from top customer	28.08	3.18
Revenue from top 5 customers	117.09	7.05

**Credit risk exposure**

There is no requirement for providing for expected credit loss as the Company has robust collection mechanism and has not written off any amount due to client credit risk exposure.

**Asset & Liability management**

Asset and Liability Management (ALM) is defined as the practice of managing risks arising due to mismatches in the asset and liabilities. Company's funding consists of both long term as well as short term sources with different maturity patterns and varying interest rates. On the other hand, the asset book also comprises of loans of different duration and interest rates. Maturity mismatches are therefore common and has an impact on the liquidity and surplus of the company. It is necessary for Company's to monitor and manage the assets and liabilities in such a manner to minimize mismatches and keep them within reasonable limits.

**Liquidity Risk :**

The table below provide details regarding the contractual maturities of significant financial assets and liabilities as on:

**Maturity pattern of assets and liabilities as on 31 March, 2020:**

Loans	46.74	100.09	356.39	437.95	1,217.33	309.47	28.74	2,496.71

**Market Risk**

Market Risk is the risk that the fair value or the future cash flows of a financial instrument will fluctuate because of changes in market factor. Such changes in the values of financial instruments may result from changes in the interest rates, credit, liquidity, and other market changes. The Company exposure to market is very minimal due to Interest rate are fixed and paid by the Ministry of Human Resource Development.

**Operational and business risk**

Operational risk is the risk of loss arising from systems failure, human error, fraud or external events. When controls fail to operate effectively, operational risks can cause damage to reputation, have legal or regulatory implications, or lead to financial loss. The Company cannot expect to eliminate all operational risks, but it endeavours to manage these risks through a control framework and by monitoring and responding to potential risks. Controls include effective segregation of duties, access, authorisation and reconciliation procedures, staff education and assessment processes, such as the use of internal audit.
