### 2 SIGNIFICANT ACCOUNTING POLICIES FORMING PART OF FINANCIAL STATEMENTS

#### 2.1 Basis of Preparation of Financial Statements

The financial statements of the company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time). The financial statements have been prepared under the historical cost convention, as modified by the application of fair value measurements required or allowed by relevant Accounting Standards. Accounting policies have been consistently applied to all periods presented, unless otherwise stated.

The Company has adopted Indian Accounting Standards ("Ind AS") with effect from 1 April, 2018 and the effective date of transition being 31 May, 2017. Accordingly, the above financial statements have been prepared in accordance with the Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India mainly considering the Master Directions issued by the Reserve Bank of India ("RBI") as applicable to Non-Banking Finance Companies - ND-SI.

The preparation of financial statements requires the use of certain critical accounting estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses and the disclosed amount of contingent liabilities. Areas involving a higher degree of judgement or complexity, or areas where assumptions are significant to the Company are discussed in Note 2.3 - Significant accounting judgements, estimates and assumptions.

The financial statements are presented in Indian Rupees (INR) and all values are rounded to the nearest crores, except when otherwise indicated.

These financial statements include the Balance Sheet, the Statement of Changes in Equity, the Statement of Income and Expenditure, the Statement of Cash flows and Notes, comprising a summary of significant accounting policies and other explanatory information and comparative information in respect of the preceding period.

#### 2.2 Presentation of Financial Statements

a)

These financial statements include the Balance Sheet, the Statement of Changes in Equity, the Statement of Income and Expenditure, the Statement of Cash flows and Notes, comprising a summary of significant accounting policies and other explanatory information and comparative information in respect of the preceding year. The Balance Sheet and the Statement of Income and Expenditure are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The statement of Cash Flow has been prepared and presented as per the requirements of Ind-AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Income and Expenditure, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standard.

b)

Other Comprehensive Income for the period 2022-23 is considered to be Nil as no such transactions under the specified group complying with Ind AS provisions for the preparation of financial statements have not taken place.

### 2.3 Significant accounting Policies, Judgements, Estimates and Assumptions

#### a) Use of Estimates

The preparation of financial statements in conformity with Indian Accounting Standard requires Management to make estimates and assumptions that affect the reported amounts of Assets and liabilities and disclosure of contingent Assets and liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon Management's best knowledge of current events and actions, actual results may differ from these estimates.

#### b) Revenue Recognition

Revenue is recognised based on the nature of activity when consideration can be reasonably measured and there exists reasonable certainty of its recovery. Revenue is measured at the fair value of the consideration received or receivable.

#### c) Income from Operations

The Company derives revenue primarily from financial assistance for creation of educational infrastructure and R&D in India's premier educational Institutions. Interest will be accrued on monthly basis as interest is paid by the Ministry of Education and Ministry of Health and Family Welfare which will be calculated on the basis of outstanding balance. Interest Income for all financial instruments are calculated at gross carrying amount, are recognised in interest income as interest on deposits with banks and Interest on Loan in the Statement of Income and Expenditure using effective rate of Interest (EIR).

#### d) Other Income

In case of other Income, revenue is recognized during the period in which the services are rendered. Interest income is recognized on a time proportion basis, taking into account the amount outstanding and at an effective interest rate, as applicable.

#### e) Cash and Cash Equivalents

Cash and cash equivalents comprise the net amount of short-term, highly liquid investments that are readily convertible to known amounts of cash (short-term deposits with an original maturity of three months or less) and are subject to an insignificant risk of change in value, cheques on hand and balances with banks. They are held for the purposes of meeting short-term cash commitments (rather than for investment or other purposes). For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

#### f) Cash Flow Statement

Cash flows are reported using the indirect method, whereby surplus for the year is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

#### g) Property, Plant and Equipment (PPE)

PPE is recognized when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can have measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment. Cost comprises the purchase price and any attributable costs of bringing the asset to its working condition for its intended use as estimated by the management. Any trade discounts and rebates are deducted in arriving at the purchase price. PPE not ready for the intended use, on the date of the Balance Sheet are disclosed as "Capital Work-in-Progress".

#### h) Intangible Assets

Intangible Assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortisation and cumulative impairment. Intangible Assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible Assets not ready for the intended use on the date of the Balance Sheet are disclosed as "Intangible Assets under development".

#### i) Leases

The determination of whether an agreement is, or contains, a lease is based on the substance of the agreement at the date of inception.

i. Finance Leases: There are no Finance leases entered into by the Company.

ii. Operating Leases: Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item are classified as operating leases. Operating lease rentals/payments are charged as an expense in the Income and Expenditure account on a straight-line basis over the lease term.

#### j) Provisions

Provisions are recognised when the enterprise has a present obligation (legal or constructive) as a result of past events, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

When the effect of the time value of money is material, the enterprise determines the level of provision by discounting the expected cash flows at a pre-tax rate reflecting the current rates specific to the liability. The expense relating to any provision is presented in the statement of Statement of Income and Expenditure net of any reimbursement.

#### k) Earnings Per Share

The Company reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share. Basic EPS is calculated by dividing the net surplus or deficit for the year attributable to equity shareholders (after attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net surplus or deficit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. In computing the dilutive earnings per share, only potential equity shares that are dilutive and that either reduces the earnings per share or increases deficit per share are included.

l) **Segment Reporting**

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM). The Board of Directors (BOD) of the Company assesses the financial performance and position of the Company, and makes strategic decisions. The BOD, which has been identified as being the chief operating decision maker. The Company is engaged in the single business operation of "financial assistance for creation of educational infrastructure and R&D in India's premier educational Institutions".

m) **Financial Instruments**

Financial Assets and Financial Liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial Assets and Financial Liabilities are initially measured at fair value.

**Financial Assets**

All recognised Financial Assets are subsequently measured in their entirety at amortised cost.

A Financial Asset shall be measured at amortised cost if both of the following conditions are met:

i. The Financial Asset is held within a business model whose objective is to hold Financial Assets in order to collect contractual cash flows and

ii. The contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Interest income on Financial Asset measured at amortised cost, is measured at effective interest rate on the gross carrying amount.

**Financial Liabilities**

Financial Liabilities are subsequently carried at amortised cost using the effective interest method for trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

n) **Impairment of Asset**

Impairment of financial assets The Company recognises impairment allowance for expected credit loss on financial assets held at amortised cost. The Company has created a reserve as per prudential norms of RBI. The Company recognises loss allowances (provisions) for expected credit losses on its financial assets (including non-fund exposures) that are measured at amortised costs. The Company applies a three-stage approach to measuring expected credit losses (ECLs) for the financial assets that are not measured at fair value through Surplus or Deficit:

Financial assets migrate through the following three stages based on the change in credit risk since initial recognition:

Stage 1: 12-months ECL For exposures where there has not been a significant increase in credit risk since initial recognition and that are not credit impaired upon origination, the portion of the lifetime ECL associated with the probability of default events occurring within the next 12 months is recognised.

Stage 2: Lifetime ECL – not credit impaired For exposures where there has been a significant increase in credit risk since initial recognition but are not credit impaired, a lifetime ECL (i.e. reflecting the remaining lifetime of the financial asset) is recognised.

Stage 3: Lifetime ECL – credit impaired Exposures are assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred. For exposures that have become credit impaired, a lifetime ECL is recognised and interest revenue is calculated by applying the effective interest rate to the amortised cost (net of provision) rather than the gross carrying amount. Determining the stage for impairment At each reporting date, the Company assesses whether there has been a significant increase in credit risk for exposures since initial recognition by comparing the risk of default occurring over the expected life between the reporting date and the date of initial recognition. The Company considers reasonable and supportable information that is relevant and available without undue cost or effort for this purpose. This includes quantitative and qualitative information and also, forward-looking analysis. An exposure will migrate through the ECL stages as asset quality deteriorates. If, in a subsequent period, asset quality improves and also reverses any previously assessed significant increase in credit risk since origination, then the loss allowances reverts from lifetime ECL to 12-months ECL.

o) **Income Tax**

The Company has been incorporated as a 'Not for Profit Company' under section 8 of Companies Act 2013, and granted registration under section 12AA of the Income Tax Act, 1961. The Company is prohibited by its objective to carry out any activity on commercial basis and thereby claims to be eligible for tax exemption.

p) **Contingent Liabilities and Commitments**

Contingent Liabilities, if any, are disclosed in the Notes to Accounts. Provision is made in the Accounts if it becomes probable that an outflow of resources embodying economic benefits will be required to settle the obligation.

Commitments are future liabilities for contractual expenditure.

q) **Borrowing Costs**

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Other borrowing costs are recognised as an expense in the period in which they are incurred.

r) **Operating Cycle**

Based on the nature of its activities, the Company has determined its operating cycle as 12 months for the purpose of classification of its Assets and Liabilities as current and non-current.

**HIGHER EDUCATION FINANCING AGENCY**

Note :

**ECL Provisions**

Ind AS 109 requires management, when determining whether the credit risk on a financial asset has increased significantly, to consider reasonable and supportable information available, in order to compare the risk of a default occurring at the balance sheet date with the risk of a default occurring at initial recognition of the financial Assets.

When estimating ECL, management should consider information that is reasonably available, including information about past events, current conditions and reasonable and supportable forecasts of future events and economic conditions. The degree of judgement that is required for the estimates depends on the availability of detailed information.

Since inception, the company has not come across any default or any delay in repayment for more than 60 days. The company follows a strong escrow mechanism wherein the borrower escrows one advance instalment in their escrow account on the date of first disbursement. The interest charged on all loans are paid by the Ministry of Education. The Company finances only the infrastructure requirements of higher educational Institutions under Ministry of Education, hence the chances of default is very minimal.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR YEAR ENDED MARCH 31, 2023**  
**Exposure at Default (EAD)**

The outstanding balance of penal charged accounts during F.Y 2022-23 at the reporting date is considered as EAD by the Company including accrued interest.

**Loss Given Default**

LGD is an estimate of the loss from a transaction given that a default occurs. Based on past performance, the recovery rate has been 100% and all accounts are Standard assets.

**Probability of default (PD):**

PD is defined as the probability of whether borrowers will default on their obligations in the future. For Assets in Stage 1, a 12 month PD is required. Based on the past trend, the company had not come across any default or delay in principal repayment by borrower Institutions. Though there has been delay in prompt payment of interest on loans. The company has worked out ECL as per the past trend and the nature of loan. As per workings the Company's impairment allowance is derived from estimates including default on interest payments. Collective impairment allowances are calculated using ECL model which approximate credit conditions on portfolios of loans. Thus, a minimum PD of 0.004 is considered taking into account the outstanding liability of penal charged accounts to the total outstanding liability as on 31.03.2023. As the Impairment allowance is lower than the provisioning of standard assets required under IRACP, the difference is appropriated to a separate Impairment Reserve.

Nature and purpose of Reserves

1. Statutory Reserve (Statutory Reserve pursuant to Section 45-IC of The RBI Act, 1934):

Section 45IC of Reserve Bank of India Act, 1934 ("RBI Act, 1934") defines that every non banking finance institution which is a Company shall create a reserve fund and transfer therein a sum not less than twenty percent of its net surplus every year as disclosed in the statement of Income and Expenditure before any dividend is declared. The Company has transferred an amount of Rs. 79.45 Corers (2022 - 89.50 Cr.) to Statutory reserve pursuant to Section 45-IC of RBI Act, 1934

2. Impairment Reserve As Per RBI circular (RBI/2019-20/170 DOR (NBFC).CC.PD.No.109/22.10.106/2019-20) Where impairment allowance under Ind AS 109 is lower than the provisioning required under IRACP (including standard asset provisioning), NBFCs/ARCs shall appropriate the difference from their net surplus or deficit after tax to a separate 'Impairment Reserve'. The balance in the 'Impairment Reserve' shall not be reckoned for regulatory capital. Further, no withdrawals shall be permitted from this reserve without prior permission from the Department of Supervision, RBI.

**NOTE 31: FINANCIAL INSTRUMENTS****FAIR VALUE MEASUREMENT**

i) **Valuation principles** : Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions , regardless of whether that price is directly observable or estimated using a valuation technique. In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques.

ii) **Valuation governance** : The Company's process to determine fair values is part of its periodic financial close process. The Board exercises the overall supervision over the methodology and models to determine the fair value as part of its overall monitoring of financial close process and controls. The responsibility of ongoing measurement resides with business units . Once submitted, fair value estimates are also reviewed and challenged by the Risk and Finance functions.

The carrying value and fair value of financial instruments by categories are as follows

Particulars	Carrying Value		Fair Value

<b>Note :</b>	<b>35.88</b>	<b>1,314.34</b>	<b>35.88</b>	<b>1,314.34</b>

The management assessed that cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

Borrowings: floating rate loans, the carrying values are a reasonable approximation of their fair value.

**NOTE 32: RISK MANAGEMENT**

Risk is an integral part of the Company's business and sound risk management is critical to the success. As a financial intermediary, the Company is exposed to risks that are particular to its lending and the environment within which it operates and primarily includes credit, liquidity and market risks. The Company has a risk management policy which covers risk associated with the financial assets and liabilities. The Board of Directors of the company are responsible for the overall risk management approach, approving risk management strategies and principles. The company has a risk management policy which covers all the risk associated with its assets and liabilities.

The Company has implemented comprehensive policies and procedures to assess, monitor and manage risk throughout the Company. The risk management process is continuously reviewed, improved and adapted in the changing risk scenario and the agility of the risk management process is monitored and reviewed for its appropriateness in the changing risk landscape. The process of continuous evaluation of risks includes taking stock of the risk landscape on an event-driven basis. The Company has an elaborate process for risk management. Major risks identified by the businesses and functions are systematically addressed through mitigating actions on a continuing basis.

**Credit risk**

Credit risk is the risk that a customer or counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company's main income generating activity is lending to customers and therefore credit risk is a principal risk. Credit risk mainly arises from loans and advances.

**NOTE 45:** Previous year's figures have been regrouped, reclassified & rearranged to conform to current period presentation wherever necessary.

**NOTE 46:** Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

Ind AS 1 - Presentation of Financial Statements - This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies.

Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors - This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates.

Ind AS 12 - Income Taxes - This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences

Since the effective date for adoption of the above amendments is annual periods beginning on or after April 1, 2023, there is no impact on the financial statements for the year ended 31st March 2023.
